#### PLEASE NOTE

# All auction business is governed by the conditions of business, a copy of which are available upon request.

1. Whilst we endeavour to provide accurate descriptions all statements contained in the Catalogue are made without responsibility on the part of the Vendors or the Auctioneers.

2. Lots may carry abbreviations such as a/f (as found, considerable damage), the absence of such a note does not imply that the lot is without defect.

3. The lots will be sold as they stand at the time of the sale with all their qualities and defects - irrespective of their description in the catalogue.

# 4. Any measurements and weights are approximate. Please note all weights given are in avoirdupois ounces unless stated otherwise.

5. All statements contained in the Catalogue as to the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot are statements of opinion and are not to be taken as, or as implying, statements or representations of fact.

6. Intending purchasers must satisfy themselves by inspection or otherwise as to all such matters and as to the physical description of any lot. Any commission bids are accepted on the understanding and assumption that the purchaser has inspected the lot and is fully satisfied with it.

7. No person in the employment of the Auctioneers has any authority to make or give any representation or warranty in relation of any lot.

8. The Auctioneer reserves the right to fix a reserve and accept bids up to such a reserve on behalf of the vendor. All lots sold without reserve are sold at the auctioneer's discretion.

### **Clearance of Sale Room**

All items must be removed from the Sale Room on sale day before 5pm or between 9am and 5pm on Thursday and Friday.

Any item not collected will be subject to storage and handling charges.

#### **Transfer of lots**

We are unable to transfer lots from one buyer to any other.
